Dear families,

We are writing to provide information on measures we are taking at the British Council School to help ensure the safety of all students due to the current Coronavirus (Covid-19) situation.

We would like to confirm that our classes are continuing as normal. We are following the official recommendations of the [Ministry of Health](#) and the [World Health Organization \(WHO\)](#) to ensure the health, safety and well-being of all our students which is our top priority.

However, we request that your children do not attend class if:

- You have visited a controlled location as stipulated by your local government authority in the 14-day period before class.
- You are unwell or have a high temperature, persistent cough, difficulty breathing or other flu-like symptoms.

Additionally, we ask for your cooperation to follow basic hygiene practices recommended by the Health Ministry to avoid the spread of the Covid-10 virus:

- Frequent handwashing (washing with water and soap) or the use of an alcohol-based hand sanitiser that contains at least 60% alcohol if soap and water are not available.
- Avoid close contact with people who show signs of a respiratory infection, such as coughing or sneezing.
- When you sneeze or cough, cover your mouth and nose with disposable tissue and wash your hands.

We are monitoring the situation very closely and will continue to take relevant measures in line with the advice of the national healthcare authorities. Our top priority is the health and safety of our children.

If you need any further clarification, please get in touch with our Head Nurse: Inmaculada Herranz: Inmaculada.Herranz@britishcouncil.org / (+34) 91 337 3627.

Thank you for your help and understanding.
